Push Pull Rotate™ From Hampton Products International

Hampton Offers a Hands-Free Solution to Opening Doors	ARRAY By Hampton digital deadbolts and Brink’s Push Pull Rotate door knobs, levers and handlesets together offer users hands-free access to their homes. Unlock your ARRAY By Hampton deadbolt using the smartphone app, then push open the Push Pull Rotate handleset with your hip!
Change the Way You Open Doors in Your Home – Do It Hands-Free	<p>Brink’s Push Pull Rotate door locks are changing the way people open doors in their homes. Push Pull Rotate knobs and levers can be opened traditionally by turning or rotating, and in two new ways: Simply push in or pull out on the knob or lever to release the door latch.</p> <p>It’s the easiest, most comfortable way to open a door. With just one finger, an elbow or a hip, homeowners can open the door in their own personal style.</p> <p>Push Pull Rotate is an ideal upgrade for homes with active adults, moms and dads carrying babies and groceries, and for homeowners looking to modernize their door hardware. With more than 100 combinations of entry, privacy and passage knobs, levers and handle sets, this line can work for any style home.</p> <p>Push Pull Rotate handlesets and levers feature sleek lines, simple yet elegant styling – perfect for high-end contemporary homes. They come in polished chrome and satin nickel and have matching mechanical deadbolts, or match the styling of Array smart locks.</p>
The Builder’s Choice	<p>Push Pull Rotate door locks can work on just about any residential door. Functions include exterior locking keyed entry sets; interior locking privacy locks for bedrooms and bathrooms; interior non-locking passage locks for laundry rooms, pantries, kid’s rooms and closets; and inactive knobs and levers for closets and French doors.</p> <p>UL 90-minute fire-rated options are available. All locks are available with either SC1 or KW1 keyways. Construction keying services are also available.</p>
The Designer’s Choice	Designers love how Push Pull Rotate’s industry-exclusive, stylish handlesets and matching deadbolts provide homeowners with a unique way to accentuate their front doors.

<p>The Designer's Choice (cont.)</p>	<p>Popular Push Pull Rotate styles include the Anderson and Rhodes handlesets.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>Rhodes Push Pull Rotate Handleset Tuscan Bronze</p> </div> <div style="text-align: center;">  <p>Rhodes Push Pull Rotate Handleset Polished Chrome</p> </div> <div style="text-align: center;">  <p>Rhodes Push Pull Rotate Handleset Satin Nickel</p> </div> </div> <div style="display: flex; justify-content: space-around; align-items: center; margin-top: 20px;"> <div style="text-align: center;">  <p>Anderson Push Pull Rotate Handleset Tuscan Bronze</p> </div> <div style="text-align: center;">  <p>Anderson Push Pull Rotate Handleset Polished Chrome</p> </div> <div style="text-align: center;">  <p>Anderson Push Pull Rotate Handleset Satin Nickel</p> </div> </div> <p>The line includes a full range of architectural styles. Inactive knobs and levers are available to complete any project. Visit buyhampton.com to see all the choices or to download the catalog.</p>
<p>Security and Craftsmanship</p>	<p>All Push Pull Rotate products, feature durable, all-metal construction and are built on a cylindrical chassis. Hidden screws provide enhanced appearance. Levers are ADA-compliant and come with a lifetime warranty. Installation is quick and easy and requires only a Phillips screwdriver.</p> <p>Push Pull Rotate keyed products meet or exceed American National Standards Institute (ANSI) Grade 2 standards and are pick-resistant, bump-resistant, and drill-resistant. Deadbolts are also equipped with an anti-pry shield and steel anti-drill plates for the highest level of security.</p>
<p>Awards</p>	<p>Push Pull Rotate was awarded "Best In Show" at the 2014 NAHB International Builders' Show, selected as the POP @ PCBC People's Choice Award Winner at the 2014 PCBC show in San Francisco, and earned an Innovation Award from Handy Magazine and the Handyman Club of America.</p>
